Highly Important; Hair Restorative and Preservative VEGETABLE CERAT

The important discovery of vege table substance, capable of restoring and preserving the Hair, was coiden tally made by an individual who has neither the capacity nor the dis fraud.

The fullest reliance may be placed on the efficacy and power of the Ve-getable Cerate, not only is restoring and preventing the falling off the hair, but in producing the greatest lustre and liveliness of it imaginable; and the public may rest assered that its effects will be clearly manifested in the course of a short time, by the re newal of vigorous growth of hair, and by effectually preventing its coming out or falling off. The Vegetable Ce-rate tends to resusciate and excite the energies of the capillary vessels which constitute those organs that secrete the matter forming the hair; these, like many other organs of the animal body, which have been in the state of dormancy or diseas, may be restored to their healty action, and perform all those functions ssigned by nature.

The proprietor being aware of the numerous specifies palmed on the public, and desirous that the present article may not suffer from false impressions, rests its merits on the effect it has produced or various persons who have used it, and all that is asked, as it relates to the verity of its effect, is a fair trial.

Elderly people, with bald heads, may rest assyred, that by applying a few boxes of the above cerate, their hair will be restored with all its beauty and life. To prevent imposition, the sale of

the Vegetable Cerate will be confined to Dr James Hart, New-York, corner of Broadway and Chambers-streets three doos from Washington, where it will be sold at \$1 75.

A liberal deduction will be made to lers.

The proprietor of the above valua-able discovery, intends appointing a-gents through the United States for the sale of it, and also in Europe. A few bexes of the above valuable ar ticle is just arrived from New York, and for sale by Dr. John Love, at his old established Drug and Patent Medicine Score, No. 22, Centre Market Sace, saltimore, who is appointed by the proprietor sole agent for the state proprietor sole agent for the state of Maryland.
